1 (7) Read Government Memorandum No. 164-F/42-5, dated the 20th April 1942 informing that the Port Conservancy Board sees no necessity for the reservation of a seat for the Municipal Council on the Board as there are already three members of the Mangalore Municipal Council, and it is not proposed to pursue the matter.

The Council regrets that Government have not acceded to its legitimate request for representation in the Port Conservancy Board, which administers the riverface the most busy area of Mangalore. The fact that three members of the Municipal Council are also members of the Port Conservancy Board is an accident, which favours rather than otherwise the request of the Municipality for permanent representation.

Under the circumstances the Council requests the Government to consider the matter further

The Council considers that it is only an accident that three members of the municipal council are also members of the Port Conservancy Boards. It does not appear necessary to refer the present letter of the Commr to the P.P.O for remarks. The matter was already examined. The views of all the P.C. Boards were obtained on the request of the municipal council & all of them did not favour the idea of giving representation to ~~the~~ municipal councils on the Boards. ~~There appears to be no point for further consideration in the matter.~~ No new forms have been advanced by the Council in support of its recommendation. Attention is also invited to the ~~matter~~ for orders whether the Commr may be informed that the Govt see no point ~~for further consideration in the matter~~
